

# Pappy's Papillons

## Adoption Agreement and Health Guarantee

Patricia Hamm  
P.O. Box 135  
Soldier, Ky. 41173

1. **General Health Guarantee:** Puppy or dog is free of any communicable diseases and is in good health. This guarantee is good for 72 hours.
2. **Puppy or Dog** will be current of vaccines, worming and will be started on heart worm preventative (when vet advises), and a health record will be provided.
3. **Puppy or dog** must be taken to a vet of your choice within 72 hours after you have taken ownership for Guarantee to be valid.
4. **Puppies** are guaranteed for 1 year against any ***Life Threatening congenital defects***. Puppy will be replaced with another puppy of breeders choosing when a puppy becomes available (**NO Refunds**). This guarantee does not apply if dog is over 1 year old. The puppy and papers for the puppy must be returned **within 7 days** of the diagnosis of the defect along with a signed statement from the vet, stating what ***LIFE THREATENING CONGENITAL DEFECT*** the puppy has along with a copy of lab work, x-rays, **Dr's** notes that were done on said puppy. Letter must be on the vet's Letter-Head stationery. A vet from my choosing will then examine the puppy for any defects before puppy will be replaced. All office visits and diagnostic tests are at the new owner's expense.
5. **Puppies** adopted as **PETS** must be ***spayed/neutered***. PET PUPPIES are sold with a **LIMITED AKC REGISTRATION** (meaning no puppies from this dog will be registered by AKC). AKC registration papers will be withheld until spay/neuter is completed. A written and signed statement (on the vet's letterhead stationery) from a licensed veterinarian must be sent to the breeder stating that said dog or puppy has been spayed/neutered before AKC REGISTRATION papers will be sent to you.
6. **Dogs or puppies** sold for **SHOW** will have full **AKC REGISTRATION**. Female puppies sold for show cannot be bred before their 2ND heat cycle. Males cannot be bred before they are 15 months old.
7. The breeder must be notified if you cannot keep your puppy or dog. (This does not mean that I can take the puppy or dog back but I will try to do so).
8. Puppies or adults cannot be sold to puppy mills, pet stores or pet brokers.
9. **SHIPPING** is extra (\$300) and will be at the new owner's expense. I may be able to drive part way to meet you, if it is not too far or you are more than welcome to pick the puppy up at my home.
10. New owners will be provided a CD with pictures of the puppy or dog, a sample pedigree, (certified pedigrees can be ordered from AKC for a small fee). A puppy package containing a small bag of puppy or dog food that the puppy or dog has been on and information on micro chipping your puppy and puppy care booklets, a small toy and a breed standard. If they are shipped, each will be provided with a crate, included in the shipping price.
11. All vaccinations and worming must be kept up to date and dog or puppy must be fed a nutritional food appropriate for puppy's or dog's age.

- 12. Death from injuries, abuse, neglect including intestinal worms, or heart worms is not covered in this guarantee.
- 13. No puppy can be picked up or shipped before they are 8 weeks old, (please do not ask).
- 14. Feel free to make payments, but puppy or dog must be paid for at time of pick-u or before being shipped.
- 15. **Puppies cannot be registered with any other dog registry unless prior authorization has been accepted.**
